Outline of CHASERS values

COMPASSION	The Mercy value of Compassion is about loving and caring for your family and friends. It is also about showing kindness to people who are feeling sad or upset to help them feel better. This value is about feeling that you can make a difference.
RESPECT	The Mercy value of Respect is about recognising the gifts and talents of the people around you. It is also about being responsible for our own actions and choices.
HOSPITALITY	The Mercy value of Hospitality is about making people feel welcome, whether it is someone new or someone you have known for a long time.
EXCELLENCE	The Mercy value of Excellence is about trying your best in everything you do. It doesn't matter if something new is new and really hard, or something you do every day - You give it 100% effort every time.
SOCIAL JUSTICE	The Mercy value of Social Justice is about being responsible for one another and trying our best to be fair by taking turns or sharing. It is about trying to make sure everyone is treated fairly and justly.
SERVICE	The Mercy value of Service is about helping others. You help others because it is what God wants you to do. These acts of service are carried out without reward or pocket money in return.
